

Notice for the verification of a certain cross-border interest

PUBLIC NOTICE

for the verification of the existence of a certain cross-border interest pursuant to Article 48, paragraph 2, of
Legislative Decree 36/2023

Fondazione per la ricerca l'innovazione e lo sviluppo tecnologico dell'agricoltura piemontese (Agrion – Foundation for Research, Innovation and Technological Development of Piedmont Agriculture), through this Notice, intends to collect any expressions of interest from economic operators established in other Member States of the European Union, or in other states having bilateral agreements with the EU on public procurement, in order to verify whether a certain cross-border interest exists in relation to the possible award of the following service: **“Study on land use and land cover in the areas adjacent to watercourses in the Italian part of the Terres Monviso territory”**.

This Notice is intended exclusively to allow the contracting authority to gather useful information as part of the assessment aimed at verifying any certain cross-border interest in the award, pursuant to Article 48, paragraph 2, of Legislative Decree 36/2023.

The contracting authority will assess any expressions of interest received, verifying their concreteness and relevance to the actual service that is the subject of the possible award, as part of the overall assessment aimed at establishing whether a certain cross-border interest exists.

This Notice does not constitute the start of an award or tendering procedure, nor an invitation to submit tenders. Any expression of interest submitted does not confer any right, expectation or claim with regard to any subsequent award.

The contracting authority will give notice of the outcome of the investigation within the minutes of the Board of Directors in which the subsequent award will be made.

The outcome of the publication will constitute a useful, albeit not exclusive, element for the concrete assessment aimed at establishing whether a certain cross-border interest exists. The detection of interest takes place through the publication of this Notice on the Entity's institutional website and is concluded with the receipt and filing of the expressions of interest received.

The contracting authority reserves the right to discontinue, at any time and for reasons within its own discretion, the procedure initiated by this notice, without the interested parties being entitled to make any claim against the Entity.

1. CONTRACTING AUTHORITY

Fondazione per la ricerca l'innovazione e lo sviluppo tecnologico dell'agricoltura piemontese (Foundation for Research, Innovation and Technological Development of Piedmont Agriculture), with registered office in MANTA (CN), Via Falicetto no. 24, Tax Code 03577780046, registered with the Economic and Administrative Index (REA) at the Cuneo Chamber of Commerce under no. CN-301073, represented by its pro-tempore legal representative, the Chairman of the Board of Directors, Giacomo BALLARI.

2. PROJECT MANAGER

The Sole Project Manager is Giacomo BALLARI, pro-tempore legal representative and Chairman of the Board of Directors.

3. SUBJECT OF THE NOTICE

This Notice is aimed at verifying whether a certain cross-border interest exists in relation to the possible award of: **"Study on land use and land cover in the areas adjacent to watercourses in the Italian part of the Terres Monviso territory"**. The study covers the analysis and classification of land use, vegetation cover and anthropogenic pressures in the riparian areas of the river basins within the PITER territory, as well as the preparation of thematic mapping, a technical report and a summary map aimed at identifying priority areas for renaturalisation interventions.

Place of performance: the territory of the Alto Po, Stura di Demonte, Maira, Varaita, Grana-Mellea, Gesso and Pellice river basins, on the Italian side of the PITER territory (Terres Monviso area).

Duration: 180 calendar days from the signing of the award.

4. ELIGIBLE PARTIES

Only economic operators established in other Member States of the European Union, or in other states having bilateral agreements with the EU on public procurement, and possessing the requirements set out in paragraph 5 below, may submit an expression of interest.

5. PARTICIPATION REQUIREMENTS

As of the date of submission of the expression of interest, economic operators must possess the following requirements:

- general requirements: not being in any of the situations excluding participation in procurement procedures set out in Articles 94, 95, 96 and 97 of Legislative Decree 36/2023, as amended, nor in any other circumstance preventing the party from contracting with the public administration;
- special requirements, Article 100 of Legislative Decree 36/2023, as amended, technical and professional capacity: proven experience, over the last 5 years, in at least one assignment concerning

land use analysis, remote sensing, thematic mapping or environmental/river planning, as well as the availability of GIS and remote-sensing software/licences adequate for carrying out the assignment.

Possession of the above requirements is declared by the economic operator pursuant to Presidential Decree 445/2000 within the application form for this Notice (Annex 1).

The expression of interest must enable the contracting authority to verify the actual relevance of the economic operator to the service covered by the notice and, where possible, must include a brief description of the experience and skills held in relation to the subject matter of the award.

6. HOW TO SUBMIT THE EXPRESSION OF INTEREST

Interested economic operators may submit their expression of interest by:

Certified e-mail (PEC) to the address fondazioneagricolturapiemontese@legalmail.it by 6:00 p.m. on 20/10/2026.

The cross-border expression of interest must be drawn up on the participant's letterhead, preferably using the attached template (Annex 1), and must be signed digitally or by hand by the owner or legal representative, pursuant to Presidential Decree No. 445/2000. In the case of a handwritten signature, a copy of a valid identity document of the signatory must be attached

Expressions of interest that are unsigned or received after the above deadline will not be taken into consideration.

No technical and/or economic proposals should be attached to the expression of interest.

7. NATURE OF THE NOTICE AND ABSENCE OF OBLIGATIONS

This Notice is for information-gathering and preliminary assessment purposes only.

The expression of interest does not constitute an economic tender, does not give rise to a tendering procedure, and does not confer any right or legitimate interest with respect to any subsequent award.

The contracting authority will assess the expressions of interest received as part of its own preliminary assessment and will take into account the outcome of the Notice together with any other relevant elements for the purpose of verifying whether a certain cross-border interest exists.

8. PUBLICATION AND CLARIFICATIONS

This Notice and its annexes are published on the Entity's website at: <https://www.agrion.it/> and in the dedicated "Amministrazione Trasparente" (Transparent Administration) section <https://www.agrion.it/amministrazione-trasparente/> in Italian and English.

Requests for information and/or clarifications regarding this Notice may be sent to the e-mail address: progettazione@agrion.it no later than 3 days before the deadline for submitting expressions of interest.

9. PROCESSING OF PERSONAL DATA

Personal data and information provided to this Administration will be processed in accordance with Article 13 of EU Regulation 2016/679 (GDPR), solely for the purposes of this procedure.
